YOU, IN SHORT BURSTS:

a beautiful sky.
a room made of windows.
what I imagine jazz would look like with hips.
an intoxicating laugh.
the brightest teeth.
a puzzle I keep coming back to.
a long sip
of I don't know what, but I want some.
a faraway glance.
a reckless dream.
my biggest fear.
a wonder.

CHRISTIAN PERFAS

Christian Perfas / Soul Stuf is a second generation Fil-Am spoken word artist based in the Greater Los Angeles Area. His work addresses a wide range of themes, from the seemingly mundane to the heart-wrenchingly familiar, such as youth, self-discovery, and intersectional identity. He has performed all across the country, from San Diego to Boston and was ranked in the "Top 25 Poets of the World" in the Individual World Poetry Slam of 2018. Featuring at Da Poetry Lounge, All Def Digital, House of Blues Anaheim, The Comedy Store, Electric Forest Festival, and The Ghost Poetry Show, amongst others, Soul Stuf is a consummate professional and all-around showman. His first officially published book, "Play: A Reclamation Of Soul" is now available for sale in person and online, along with a fully produced poetry EP in collaboration with Fictitious Professor.
